

3rd General Assembly of the Swiss Metabolomics Society

10:00 – 15:00; Wednesday 8 November 2017
Inselspital, Universitätsspital Bern
Freiburgstrasse, CH-3010 Bern

Welcome and Introduction (10:00 – 10:20)

10:00 – 10:10: Welcome

10:10 – 10:20: Introduction of Inselspital

Scientific Session (10:30 – 12:00) Chair, Endre Laczko

1) Dr. Cedric Bovet, Clinical Metabolomics Facility, Inselspital: Metabolic profiling for the Clinics: the Clinical Metabolomics Facility

2) Mr. Christian Berchtold, University of Applied Sciences and Arts Northwestern Switzerland, Hochschule für Life Sciences: Dried Blood Spots, a matrix for metabolomics studies?

3) Dr. Andrea Steuer, Department of Forensic Pharmacology & Toxicology, Zurich Institute of Forensic Medicine, University of Zurich: Metabolomics in Forensics

4) Martin Gaugg, Department of Chemistry and Applied Biosciences, ETH Zürich: Breath Metabolomics in Respiratory Diseases.

5) Dr. Julien Boccard, School of Pharmaceutical Sciences, University of Geneva: Exploring Human Urinary Biomarkers of Dioxin Exposure Using Metabolomics and Biologically-driven Data Dimensionality Reduction.

Lunch break/poster viewing

Vendor Session (13:00 – 14:00) Chair, Luke Simmons

1) Waters (Dr. Jens Jacobsen)

2) Thermo (Dr. Guido Sonsmann)

3) SciEx (Mr. Christian Baumann)

Society Forum (14:00 – 15:00)

- election of next SMS board
- collection of membership fees
- new membership
- website master
- plan next meeting

15:00: End

15:10: Lab tour (optional)

15:30 – 17:00 : SMS board meeting
